外国人英語の先生に次のように言われたとき、あなたなら英語で何と言いますか。まとまりのある英文で5文以上書きなさい。

"I think Japanese young people should visit other countries when they are young."

解答例

I think so, too. In the world there are many cultures and customs. And many people have a different ways of thinking from ours. Young people have a lot of power to gain new knowledge. So we young people should go abroad as often as possible.
